

When we read Christ's commission to "go and make disciples", we think KIDS! With the mission in mind of "building strong believers in Jesus Christ through His Word," we have a threefold approach to Children's Ministries. Our approach is relationship based, discovery oriented, and obedience focused. Just as Christ pursued relationship with His disciples, we are eager to form relationships with children, enabling us to both demonstrate the love of God and share our experience of faith with them. By engaging the kids in an interactive time in God's Word, we allow God to speak as we explore the Scriptures together.

Finally, being fruitful depends upon taking action! We encourage the children to determine how their lives need to be changed to align with God's Word. Then we cheer them on as they take action, obeying God and sharing His truth with others! It is our privilege to partner with parents to see their children "like a tree firmly planted by streams of water, which yields its fruit in its season, and its leaf does not wither; and in whatever he does, he prospers."
